Ms. Lavell and Chairman of the Board of Trustees, Mr. Gil Tucker

June 2019

There is a movie that was released in 1989 called **Uncle Buck**. I suspect some of your parents or guardians will know it! In the movie there is a quote that has always resonated with me. Uncle Buck is telling his six-year-old niece's Principal this comment:

"I don't think I want to know a six-year-old who isn't a dreamer and a silly heart."

At Saltus we take academic excellence as a given. We believe in providing a learning environment that allows for a each of you to be curious, critical thinkers who can also thrive in the arts, athletics, service and student leadership opportunities. We believe in student voice and student choice and we're working hard to make sure you are well prepared for the university of your choice and life beyond.

But we also believe that you need a chance to dream, to laugh, to thoroughly enjoy your learning from Foundation all the way through to SGY2. School is about learning but it is also about understanding the power of a dream, the joy of friendships, the sheer pleasure in mastering a concept, a sport, an art installation, a performance, an instrument, learning from mistakes, understanding it is ok to fail and try again. In essence, it is about having a growth mindset.

I always want to know a six-year-old or even an 18-year-old who makes time to be a dreamer and yes, sometimes even a silly heart.

Enjoy your yearbook. Thank you to the Yearbook team and Mrs. Murdoch for creating these memories for us.

Ms. Lavell

Mrs. Dyer helped us plant seedlings. She showed us how to plant seedlings by taking them out the right way. Then we loosened the roots. Next we put soil in the container to make the plant grow. Last of all we put the plant back in the pot. We squished the soil and watered the seedling. We learned a lot!!!

Swim Gala

The Swim Gala is an annual event both showcasing our student talent and swimming skills along with providing a fun day of stress relief. This year *Butterfield* was victorious taking first place with 231.5 points, then *Darrell* with 189.5 points, *Saltus* with 141 points then *Wallington* with 134 points.

The interschool swim meet was held at the Hôllimel Stadium Pool this year. Battus competed very well against 4 other schools and put in their best efforts.

November National Tournament

Ywione Darrell, Giselle Concepcion and Vishan Patton competed on November 16th in the national debate tournament.

Spring tournament middle school public speaking

Our middle school team competed in the Public Speaking aspect of the tournament on the Thursday and Friday evenings and presented themselves well against students from other schools in the Middle School category. Our students entered the Persuasive Speaking, Radio Newscast and Interpretative Reading categories and we were very proud of all of our competitors, especially Rachael who placed second in the Persuasive Speaking events.

Spring tournament Senior school debate

We entered 2 teams for the debate portion of this tournament (held all day Saturday) and I was VERY proud of the preparations, the grit and determination our two teams displayed. Both teams included students who had never debated before and the topics were weighty ones. While neither team made it to finals both Giselle and Ywione were ranked as 2nd and 3rd overall debaters for this tournament.

Public Speaking

International independent schools public speaking competition. Toronto St.Clements School 2018

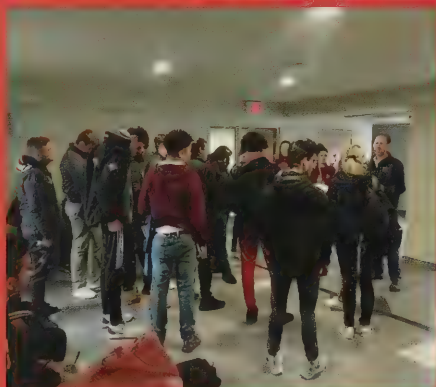

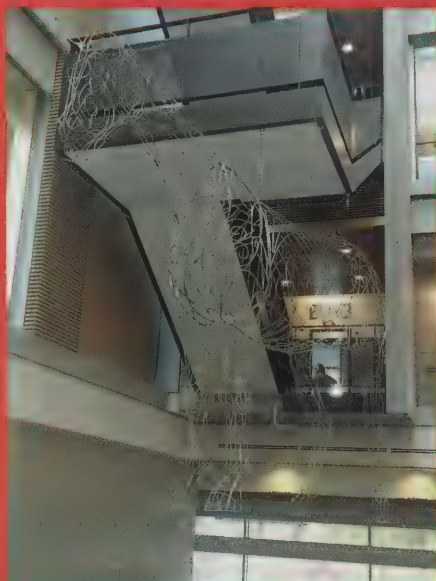

Over October mid term break students Ywione Darrell, Sam Webel and Giselle Concepcion competed in the international independant schools public speaking competition.

Ywione Darrell participated in persuasive speaking, impromptu speaking, and cross examination debate. Giselle Concepcion participated in persuasive speaking, impromptu speaking and cross examination debate. Sam Webel participated in after dinner, interpretive reading, and radio newscast. Sam Webel made it to the finals of radio newscast.

Spring tournament senior school public speaking

Our senior school team were our veteran team who competed at IISPS last October and were able to bring this skill and experience to the Spring Competition this March. While Giselle and Ywione had spent the majority of their time preparing for the cross examination event it unfortunately wasn't to be as there were no other teams signed up for that particular event. This didn't slow down our seniors who were able to retool and shift their focus a week before the event to prepare for the Interpretative Reading instead. This meant that our senior team competed in the Interpretative Reading, Radio Newscast and Impromptu Speaking events. Sam and Giselle did particularly well with Sam coming first in the Radio category and 2nd in Interpretive Reading while Giselle came second in the Impromptu speaking category. Sam was ranked as top overall speaking for this portion of the competition while Giselle ranked 3rd!

BRIDGE CLUB

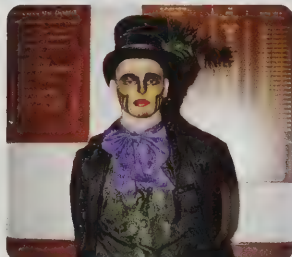

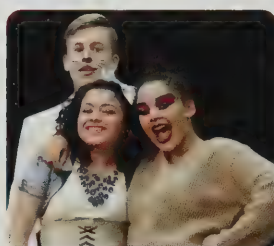

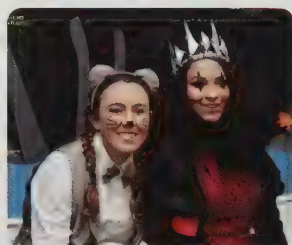

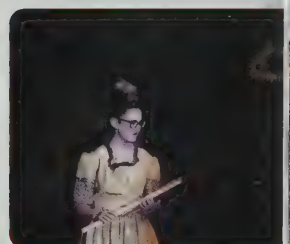

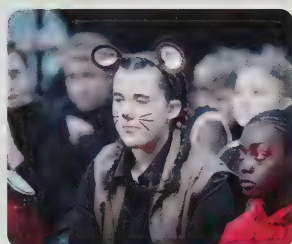

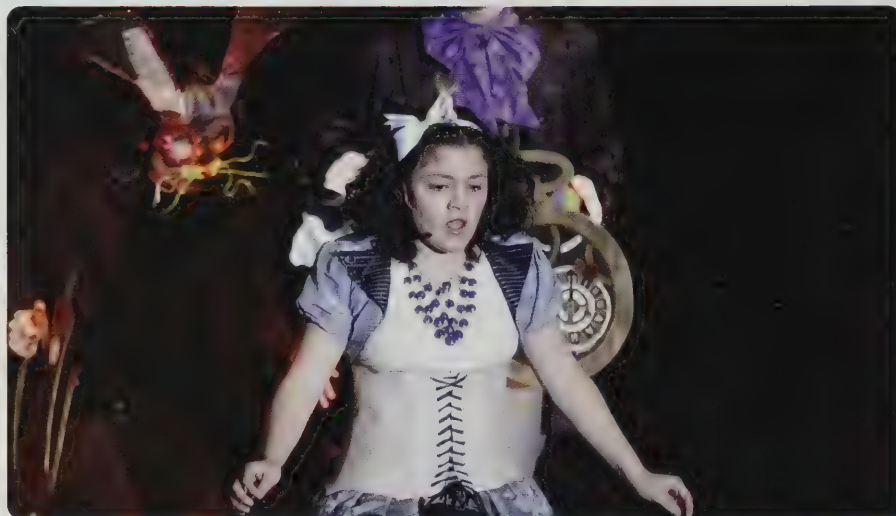

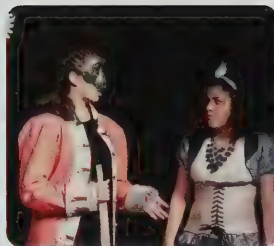

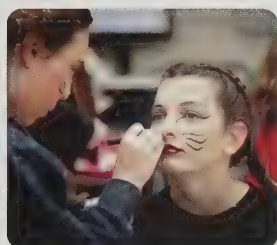

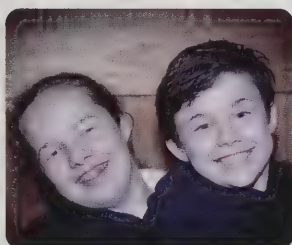

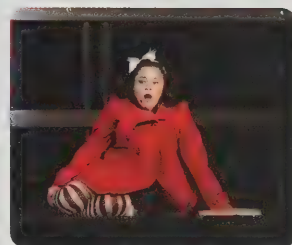

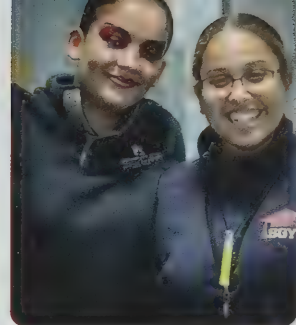

UOIT trip

On June 16th a group of students embarked on a week long trip to the University of Ontario Institute of technology. The trip focused on indulging the students into STEM (science technology engineering and math). Activities included physics of sailing, forensic science workshop, and astronomy. The students also had the opportunity to do some fun activities which included going to the mall, the movies and Canadas wonderland.

Founders Day

Saltus was founded in 1888 by Samuel Saltus. Each year to commemorate his work in the educational field Saltus dedicates a day to remembering him and his successes. The day consists of a whole school assembly in which we talk about the late Mr Saltus and the progress the school has made since he founded it. After which we precede to the St Johns church cemetery where a wreath laying ceremony takes place. The afternoon then consists of a barbecue lunch and the famous alumni cricket game. It is a day that the entire Saltus community looks forward to and enjoys. It has become a long held and heartfelt tradition that will stay with us for many years to come. This year the students took down the alumni in the cricket game!

The 2019 edition of The Martlet was printed by Jostens Yearbooks of Clarksville, TN. The wonderful yearbook staff created 196 full color pages on 100% gloss paper.

As it has been for many years, the Martlet was produced using the Jostens Yearbook Avenue and Yeartech Online programs, without them, the Martlet would still be produced by hand! This year, the Martlet would like to thank Chris Davidson, Chris Adderley and Charlie Gravestock for photography. We'd also like to thank the yearbook staff: Braeden Baumgartner, Angelae Heath, Sarah Ohsiek, Jess Bucher, Noah Murdoch, Genna Fostine-DeSilva and Lara Pitcher.

Last, but not least, many thanks to the Senior Editors Giselle Concepcion, Isabella Murdoch, and Julianne Oatley for all their work during the school and summer period.

Finally, we do apologize for any mistakes. Our yearbook is a student produced publication and therefore to expect a perfect and flawless yearbook would be unrealistic. As you can imagine, we, here at the Martlet, are always disappointed to find our mistakes, but please know that we never intend to be malicious or hateful and that mistakes do happen, but we endeavor to do our best.

To finally conclude, it is due to the efforts of the yearbook committee, along with the lovely and talented Mrs. Murdoch that this book even exists at all.

Thank you!

From the Advisor's Desk...

It is hard to believe another school year has gone by. When I look back at where it began, with the announcement that our Theme for the year would be **Unity**, I paused to think about what has happened in the world and whether that theme really was a reflection of the events spiralling around us. With so much discord, separatism and the like, it is easy to want to give up on our theme as a waste of time and energy. But one of the great things about working and belonging to a school, is that we can be the change we want to see in the world. And when you look in this book, you will see all the positive lessons and events that are shaping our future for the better. So I have hope that the generations we see here will be the change we want and dream of.

The Saltus Community has many members, both old and new, and regardless of who you are, you are a part of this family. I hope you will find wonderful memories in this book, of this year's events. We have tried our best to chronicle as much as possible, so that when this book gets dusty on the shelf, you can pick it up many years from now, and it will bring you back to a wonderful time.

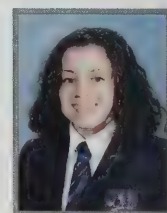

I want to especially thank Emma Law and Claire Steede for their help with the editing and collecting photographs of all the events in Lower and Upper Primary. I could not have produced this book without you both! Finally, I would like to thank my Secondary Yearbook Staff, especially my Senior Editors Isabella, Julianne and Giselle. This book could not have been created without all of your hard work and industry. To my SGY2 Year group, especially my artists, I want to wish you the very best of luck in the next stage of your lives. May you always question, try to inspire and find rainbows wherever life may take you!
